The Ultimate RV Logbook Jul 17 2021 The ultimate log book for RVers who want to keep great records of where they've been! Record campground information like: Hookups available Bathhouse conditions Amenities Road Conditions Campsite conditions Management/Staff Info Booking/Cancellation Notes Local Area Notes Sightseeing Notes and A LOT more! There's even extra space to add your own notes for each site! Great for RVing in: Class A Motorhomes Class C Motorhomes Travel Trailer RV 5th Wheel RV Class B Motorhome Custom Vans This book is an amazing tool for your travel adventures. We, as full-time RVers ourselves, wanted to produce something that would actually be useful for other RV travelers. Our goal was to create a place where you can record all of the great (and sometimes not so great) notes & impressions of your camping spots as you wander about in your RV. We made this book a place to store information but also easily find those notes again later, so we incorporated an easy-to-use referencing system, organized by U.S. state (or you can fill in your own regions). This way, when you need to look back on your notes from two, three, or even 20 years later, you will be able to quickly find them. Here's how to use this book: Log Your Stays: Turn to the first log and start writing! Use our prompted notes and checkoffs to record basic information and then also add your own notes as a refresher for your memory later. We didn't make space for every possible scenario (there are so many!) So, use the extra space to write down anything you think you might want to know later. For instance, you may note more things like low/high water pressure, road noise, or management/staff names & notes. Did you spend way too much on laundry here? Make a note of it! Did you see a sasquatch walk casually through your campground on Friday night? Make a note of it! And share the picture! You did get one, right? Our Referencing System: It's so simple! Let's begin with the Site Logs. Each Site Log has a number in the corner. When you log a campsite, take a second to record that site's Log Number in the back of the book in its reference section. Most reference sections are simply a state. However, some states are larger (and more popular) than others, so we broke them down into smaller regions for even quicker reference. For instance, we've broken Texas down to 5 regions: North, West, Central, Gulf Coast & Panhandle. Maintenance Logs: In the back of the book, there are pages dedicated for recording RV maintenance. Just record the date, service performed, mileage, and any other notes there so you have that information later.

Ready to Roll May 27 2022 A tribute to the retro style and history of the American trailer traces its evolution from the utilitarian covered wagon to the depression-era "Hammer Blows," noting the contributions of such factors as Lucy and Desi Arnaz's Long, Long Trailer trip, Bing Crosby's Blue Skies Trailer Village, and the Tin Can Tourists group. 12,000 first printing.

Vintage Camper Trailers Apr 25 2022 Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, *Vintage Camper Trailers*, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

RV & Camper Toys Aug 18 2021 Wow! This colorful book showcases the world of miniature RVs and travel trailers. The authors have added plenty of history and tidbits about each piece, along with a concise history of each segment of toy, including: Early RV Toys, Airstream Toys, Japan Tin RV Toys, Travel Trailer Toys, Camper Van Toys, Truck Camper Toys, Motorhome Toys, Little Kids' RV Toys, Foreign RV Toys, and last but not least the fun but useful RV toys that were also salt and pepper shakers, birdhouse, tea pots, paperweights, Christmas ornaments, cardboard cutouts, and more. A star-rating guide helps depict which toys are the most collectible, although the authors' have picked the best selection from the largest collection of RV/Camper toys. Makes a great gift book for anyone into camping or toy nostalgia.

Vintage Camper Trailer Rallies Dec 10 2020 A celebration of vintage midcentury trailers and the people that love them. This follow-up to the authors' *Vintage Camper Trailers* focuses on trailer rallies, events where hundreds of vintage trailers aficionados come together to show off their trailers and share their love of the hobby. It features hundreds of new photos of trailerites and their trailers, along with the fun and festivities that occur at the rallies. Also included are a history of camper trailers, along with information on the major trailer hobby groups, such as Tin Can Tourists, the Wally Byam Airstream Club, and Sisters on the Fly, and tips on how to plan and organize your own rallies and events, based on the authors' own first-hand experience.

Travel Trailer & Fifth Wheel Comparison Guide Nov 20 2021 "There are a number of buying guides for RV consumers today, but none offer fair and balanced ratings, until now! To fulfill this need, we at JR Consumer Resources Inc., have published two best-selling RV consumer guides to help buyers understand their options when considering a new or used RV. We remain committed to our readers by offering unbiased information about the RV industry. We have no hidden agendas, we receive no commissions or advertising kickbacks. We have not accepted any payments to promote one company over another. We can assure you that all of the information contained in this guide is based on our independent research and countless interviews and is from an objective point of view. Our company is a consumer based organization and we have not been hired by the RV industry to promote their products or lifestyles."--back cover.

A Guide To Help You Decide Jan 23 2022 In our first book "Your Guide to Purchasing a Travel Trailer" we talked at length about the considerations involved in selecting and purchasing a travel trailer. In our second book "A Guide to Enjoying your Travel Trailer" we talked about the improvements you can make in order to be safer and enjoy camping more. This book is really a precursor to both of those books; a guide that helps you to understand the Travel Trailer systems and operation so you can decide if the lifestyle is right for you and your family. All too often people are infatuated when they see travel trailers at a dealership or RV show but have a lack of understanding of what is required to enjoy the lifestyle. Many stories abound on-line of folks buying an RV and then later realizing that it was more work than they realized and they want to sell it. If you have wondered what camping in a travel trailer is like, but were unsure if it would be too much work, this book may answer that question for you. We will try to clear up some of the confusion around how travel trailers operate and what it takes to keep them in good shape.

Beatrice The Little Camper Gets Rescued Dec 30 2019 Left to rot and rust in a field, a sad little camper trailer feels discarded and worthless. Years ago Beatrice the Little Camper had a family who took her on many adventures. She looked forward to camping under the stars, telling stories by the campfire, and family road trips. But when the kids in her family grew up and moved away, she found herself forgotten and hidden behind an old barn. Feeling lonely and dreaming of s'mores, Beatrice meets the Tuffle family. Much to her surprise, they rescue her from a certain future in the scrap yard. After some TLC and help from the Tuffles, Beatrice is ready to take on the world! A great gift for picture book readers ages 3-5 (also adult vintage camper fans) who love stories of second chances, kindness, and cars!

Trailer Travel! Nov 01 2022 With linen postcards of trailer camps and auto courts, campy family photos, and ads dating back to the 1920s, "Trailer Travel!" is the perfect complement to a new TV documentary on the colorful history of America's fascination with life on the road. 150 photos in color and b&w.

The Handmade Teardrop Trailer Apr 13 2021 Hit the road in style and comfort you built yourself... The road trip has been a celebrated American tradition for as long as there have been roads on which to travel. Combined with our love of the great outdoors, hitting the road in search of some peace under the stars is a goal for anyone old enough to drive -- even more so in today's hectic, wired world. Millennials and retiring boomers want to take a break, especially one that reflects their ever increasing simple and minimal mindset. Enter the Teardrop Trailer. First designed in 1930's for cars lacking power, they've reemerged as a smart, aerodynamic, and eye-catching option for seeking out the quiet beauty that camping offers...but with plenty of comfort. Think of the tiny house movement going camping... Matt Berger's book *The Handmade Teardrop Trailer: Design & Build a Tiny Classic Camper from Scratch* hands you the keys to craft your own stylish adventure. *The Handmade Teardrop Trailer* guides you through the journey from sketchbook to first road trip, and will prepare you to design and build your own comfortable pull-behind Tiny Trailer. And, to achieve this you don't need much space, just a garage bay or shared workspace, and the most basic tools and materials available at your nearby hardware store or home center. Because we all have our own "get away from it all" road-trip fantasies when it comes to comfort, style, and purpose, *The Handmade Teardrop Trailer* will train you up like a pro on the basics of trailer design, backed up by deep research and experimentation. Illustrations provide measurements and construction details that are easy to adapt for variations in size and configuration and more than 100 step-by-step photos illuminate every detail in the design and build process. With this handy guide leading the way, you'll be shutting down the computer, storing the cellphone, and hitting the road to find some peace in a classic tiny trailer camper you built by yourself.

The Time Travel Trailer Dec 22 2021 A 1937 vintage camper trailer half hidden in weeds catches Lynne McBriar's eye when she is visiting an elderly friend Ben. Ben eagerly sells it to her and she just as eagerly embarks on a restoration. But after each remodel, sleeping in the trailer lands Lynne and her daughter Dinah in a previous decade-exciting, yet frightening. Glimpses of their home town and ancestors fifty or sixty years earlier is exciting and also offers some clues to the mystery of Ben's lost love. But when Dinah makes a trip on her own, separating herself from her mother by decades, Lynne has never known such fear. It is a trip that may upset the future if Lynne and her estranged husband can't team up to bring their daughter back.

Serro Scotty Travel Trailers Jun 15 2021 This book will take us on John Serro's journey from producing the first 16' Scotty Pup trailer in 1956 to the more popular 18' HiLander produced in the 60's and 70's. Because Scotty Trailers were not produced on an assembly line, just like the Americans who bought them, no two are exactly alike. The Scotty line, while fairly extensive (ranging from teardrops to fully self-contained 18' models), each were simple in design, most sporting the iconic aqua and white paint scheme, and all stamped with the Scotty Pup logo. Vintage travel trailers have never been more popular with the demographic evolving drastically to a younger, more affluent group of people. And while Airstreams seem to be the shiny star of the day, the Serro Scotty trailers were always right there barking up the same vintage tree. Not only are Scotty Trailers quintessentially retro, they are lightweight, very affordable and easy to restore, and accessible to everyone!

Used Motorhome Buying Guide Sep 06 2020 Are you in the market for buying a used RV? Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, Used Motorhome Buying Guide, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a BONUS, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included. You will want to click "Buy Now" and add this title to your collection and I promise to save you money, headache and frustrations from buying a lemon.

Your Guide to Purchasing a Travel Trailer Jul 29 2022 To consider purchasing a Travel Trailer, or any RV for that matter, it makes sense to investigate everything about the brand you are considering. All too often purchasing a travel trailer becomes an emotional decision rather than a decision based on functionality and reliability. We hope that this book serves as a guide so you can think through all of your needs prior to purchasing your travel trailer. There are many more considerations involved in purchasing a travel trailer than just the initial purchase price. Getting a great deal is fine, but having a great deal and then being frustrated and disappointed is not very satisfying. A trailer that lacks your most important requirements will leave you wondering why you didn't spend more time shopping.

Building a Teardrop Trailer: Plans and Methods for Crafting an Heirloom Camper Mar 01 2020 Are you thinking about building a teardrop camper? Dreaming of hitting the road and heading to parts unknown? Are you ready to sleep in a cozy cabin on wheels and leave the flapping tent and hard ground behind? Teardrops are towed behind small vehicles in rainstorms with winds that a forecaster would classify as a hurricane. Their wheels drop into bottomless asphalt chuckholes. They are seen on the backroads running over washboards and kicking up dust plumes that can be seen for a mile. They shouldn't be built like a garden shed. Within these 194 pages-including 221 photographs and diagrams-Latham goes into detail on how to build a teardrop camper that will last a lifetime. In *Building a Teardrop Camper*, Latham shows you how to build insulated walls with a classic curved profile. He shows you how to build a galley hatch and doors that are dry and dust-proof. In the chapter on the undercarriage, he describes everything from the size of the steel to what axle needs to go underneath it. Other chapters cover wiring, heating, solar systems, propane plumbing and how to create an efficient galley. You will find all the details in this book needed to build a classy, comfortable, and durable teardrop camper.

HowExpert Guide to RV Life Nov 28 2019 If you want to learn how to buy, drive, and maintain a recreational vehicle to travel and live the RV lifestyle, then check out *HowExpert Guide to RV Life*. *HowExpert Guide to RV Life* is a book for folks who don't know much about RVs but feel they need to learn more about them. It covers topics such as: - What is an RV and how it can be used. - Different types and classes of RVs from the smallest trailer RVs up to the largest motorhomes. - Necessary terms and their definitions which RVers need to know. - What makes an RV different or similar to a regular house. - What homework and knowledge are needed to get the best RV for anyone. - Points for each type of RV. - How to find the best dinghy for folks with motorhomes. - What might be a way to try before you buy an RV. - What can be learned by going to an RV show. - What type of motorhome will be the quietest and best riding one. - What are the roomiest RVs. - What are the least expensive RVs. - Different ideas on where to travel once the RV is purchased. - The difference between a "shake-down cruise" and a "maiden voyage." - Construction of RVs. - What RV appliances are like, and which ones to watch out for. - What "full hookup" means at campsites. Check out *HowExpert Guide to RV Life* to learn how to buy, drive, and maintain a recreational vehicle to travel and live the RV lifestyle! About the Author Charley Dickson is a former Oregonian who now lives full-time in a 38' Class A motorhome in various places around the country. In his 30+ years of RVing, he and his wife have traveled in a pop-up trailer, a 30' travel trailer, a 29' Class C motorhome, a 40' 5th wheel trailer, and two Class A motorhomes. He's been to most of the country, but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do-it-yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. *HowExpert* publishes how to guides by everyday experts.

Travel-trailer Homesteading Under \$5,000 Mar 25 2022 This is probably the most important section in the while catalog. With the times a'changin' as they are, we all need to better prepared for the uncertain changes ahead. The books in this section will give you a head start. Tired of paying rent? Need privacy away from nosy neighbors? This book will show how a modest financial investment can enable you to place a travel-trailer or other RV on a suitable piece of land and make the necessary improvements for a comfortable home in which to live! This book covers the cost break-down, tools needed, how to select the land and travel-trailer or RV, and how to install a septic system, as well as water, power (including solar panels), heat and refrigeration systems.

The RV Handbook Nov 08 2020 This new edition of *The RV Handbook* is for all types of RV enthusiasts - from a first-time buyer or renter to the most seasoned RV traveler. Packed with valuable information, checklists, photos, and charts, the guide tells you how to: buy an RV; avoid the single most common mistake novice RVers make; select a towing vehicle; avoid RV repair scams; benefit from technical trends in RV manufacturing; correct the bad towing habit that plagues even experienced RVers; and prevent explosive propane situations. With hundreds of proven RV tips, tricks, and techniques, this expanded handbook tells how to buy, maintain, and optimize RVs, saving both money and time.

Goodnight, Campsite Jan 29 2020 Children love books, almost as much as they love camping! "Goodnight, Campsite," is the perfect place for young readers to start a great outdoor adventure and discover camping options along the way - options from tents to various recreational vehicles (RVs). "Goodnight, Campsite," is set in a beautiful nature park. The story follows visitors as they explore the park during the day (hiking, biking, fishing, etc.), and then returns with them to their campsite at night. Preschool-aged

children will love the beautiful and colorful pictures - and searching for the squirrel hiding in the pictures. Rhyming text will keep children engaged, as they build sound associations and phonemic skills. Also included in the book is a Campsite Bingo game!

Airstream Apr 01 2020 The Airstream is an eye-catching vintage classic. First appearing on American highways in the early 1930s, these sleek aluminum icons were compact, cozy spaces that could be hitched to the family car and taken out on the open road – and nearly a century later their timeless design has lost none of its appeal, with the Airstream enjoying renewed popularity among celebrities, event planners and young travelers who appreciate its air of nostalgia and distinctively American blend of functionalism and beauty. Born in the California backyard of inventor Wally Byam and partly inspired by the work of Hawley Bowlus, the famed chief builder of The Spirit of St. Louis, the Airstream's modernist aesthetic has remained relatively unchanged in eight decades, and its industrial durability has earned a reputation without equal, with more than 65% of all Airstreams still on the road today. The book features the complete history of the Airstream, tips, cool facts, quotes and fabulous photographs—a fitting tribute to a true American legend.

DIY Motorhome & RV Rehab and Renovation Guide Jun 23 2019 Are you thinking about doing a camper renovation? Do you need some direction as to how to remodel a travel trailer so you can live the nomadic life of your dreams? Restoring, remodeling, or even just redecorating an old RV can breathe new life into your trusty motorhome. If you're looking for a place to start, look no further. I wrote this book to show you how an RV renovation can be cheap and easy as long as you know how to start. Save Money The best way to save money when you're looking into buying an RV is to remodel a used one. In my book, DIY Motorhome & RV Rehab and Renovation Guide, I will take you through the complete process of planning your remodel from start to finish. I'll show you how to pick the right RV for you, how to plan the interior layout, and what you should be sure to do when undertaking a remodel. You really can do-it-yourself when it comes to RV renovation and remodel. You Call the Shots I'm a bit of a backyard mechanic. Pretty much since I was old enough to hold a wrench, I was working on some sort of project with my dad. He was a tinkerer, inventor, and all-around handyman. His favorite projects were fixing up cars and old campers - Airstreams, motorhomes of all classes, and RVs of all sizes. In fact, when he passed away, I am sure there were at least 3 or 4 unfinished, ongoing projects still left in his garage. Luckily, I inherited much of his know-how when it came to refurbishing and refinishing fixer-uppers. It's Easy - Anyone Can Do It! Redecorating a used RV is the easiest way to customize your new home on wheels. In fact, family vacations taken in an RV are, on average, 27-62% cheaper than other methods of travel. You can see the country and make memories together that you will not soon forget. Those monetary savings start when you decide to purchase a used camper and make it your own rather than buying a brand new one. Don't know where to start with your RV renovation? Start with my book! In my book about renovating an RV, you will learn the best way to plan your travel trailer remodel. In this book, you will see where to begin when taking on such a huge task as renovating and redecorating a motorhome. You will learn all about how to remodel, redecorate, and refurbish an RV, camper, motorhome, and travel trailer. Topics You will Learn About Include: The evolution of the camper through history The glamping movement Types of RVs Picking the best RV for you Costs of renovation and planning your budget Advice about towable travel trailers and towing vehicles Designing the camper Layout ideas and floor plan suggestions Interior design best practices All about remodeling - from top to bottom Replacing the flooring Repainting the RV inside and out Rookie mistakes to avoid Remodeling the bathroom Remodeling the dinette Bedroom upgrade tips Space-saving tips and tricks Going the eco-friendly route My goal is to provide you with the best starting point when renovating a used RV. Vintage Campers, Trailers & Teardrops Feb 09 2021 Renowned automotive writer Pat Foster celebrates the simple joy of hitting the highway in a vintage camper, trailer, RV, or van in this illustrated examination of their hardware and cultural histories—featuring evocative modern photography of restored and original-condition campers, as well as period photos and advertising art. The look, the feel, and the sheer style of vintage campers and trailers are impossible to duplicate in sterile modern units. It's little wonder more and more of us, from all walks and ages, are ditching the increasingly hectic modern life and rediscovering the simple freedom of small, uncluttered spaces and the wide-open road. Foster breaks down the subject by camper categories, illustrating his knowledgeable text with beautiful modern and period images. Sidebars examine topics like clever designs that make small living possible, the evolution of campers and gear over the ages, tips for trailer living, first-person anecdotes from enthusiasts, and much more. Along the way, Foster covers all of the most popular camper and van brands, such as Winnebago, Airstream, Shasta, Spartan, Scamp, Volkswagen, and more. Whether lived on the road, your driveway, or your armchair—your minimalist adventure starts here.

The Camper Book Jun 03 2020 The Camper Book will captivate all those who dream of waving good-bye to the rat race from the window of their own moveable home, be it a camper, RV, travel trailer, camper van, or tiny camper. Not just for placid retirees anymore, camper culture has sprung up among simplicity-seeking millennials, retro-loving "glampers," sports and movie stars, aging hippies, contract workers, "road-schoolers," and others. Award-winning journalist Dave Hoekstra hit the road in his own custom camper van, named Bluebird, to explore the history, culture, subcultures, and future of camper life. Traveling and talking his way through US campsites, RV parks, landmarks, and communities, Hoekstra draws out revealing stories from all walks of life—from Americans who are downsizing material goods while upsizing spiritual pursuits to RV enthusiasts such as Grammy-winning singer-songwriter John Prine and Chicago Cubs manager Joe Maddon. A modern-day Studs Terkel, Hoekstra provides a delightful mix of oral history, in-depth reporting, and practical information, while photographer Jon Sall's beautiful color photographs illuminate the unique people, places, and rigs that typify camper life.
