IJER Vol 25-N3 Apr 21 2022 The mission of the International Journal of Educational Reform (IJER) is to keep readers up-to-date with worldwide developments in education reform by providing scholarly

information and practical analysis from recognized international authorities. As the only peer-reviewed scholarly publication that combines authors' voices without regard for the political affiliations perspectives, or research methodologies, IJER provides readers with a balanced view of all sides of the political and educational mainstream. To this end, IJER includes, but is not limited to, inquiry based and opinion pieces on developments in such areas as policy, administration, curriculum, instruction, law, and research. IJER should thus be of interest to professional educators with decision-making roles and policymakers at all levels turn since it provides a broad-based conversation between and among policymakers, practitioners, and academicians about reform goals, objectives, and methods for success throughout the world. Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked. IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes. Finally, it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U.S. and the world.

The papers contain all the new variety of questions being asked in the new JEE. The book also provides A Question Bank of Passage Cum Matching Questions as per the latest pattern of 2018 & 2019.

Inside the Church of Almighty God Jan 06 2021 Branded as "the new Falun Gong" by local authorities, The Church of Almighty God is the most persecuted religious movement in China today. Thousands of police officers are deployed full time to identify and arrest its members. Hundreds of thousands of its devotees are in jail. Authorities claim, perhaps hyperbolically, that it has some four million members and accuse the group of serious crimes. Yet, the movement continues to grow. In this ground-breaking study, Massimo Introvigne offers an inside look at this once-elusive movement, sharing interviews with hundreds of members and the Chinese police officers who hunt them down. The story of The Church of Almighty God is one of rapid growth, dramatic persecution, and the struggle of believers to seek asylum in countries around the world. In his telling of the story, Introvigne reconstructs the Church's idiosyncratic theology, centered in the belief that Jesus Christ has returned in our time in the shape of a Chinese woman, worshipped as Almighty God, to eradicate the sinful nature of humans, and that we have entered the third and final time period in the history of humanity: the Age of Kingdom. A major book from one of the world's leading scholars of new religious movements, Inside The Church of Almighty God is a critical addition to the scholarship of Chinese religion.

The Islamic State Aug 01 2020 The so-called "Islamic State" (IS) that has swept into power in parts of Syria and Iraq presents an imminent danger to the global community with its capacity as an effective, ideologically motivated, and bloodthirsty fighting force, coupled with its expanding territorial reach, on the ground and online. The IS has taken on a quasi-state form that mixes modernity with ancient rites, and aggressively promotes sectarian violence and religious extremism with a decidedly apocalyptic bent. Too, it has introduced to the Middle East a new level of extremism and brutality, marked by volatile fluidity, with far-reaching, dangerously destabilizing effects on state and non-state actors, regionally and globally. This book offers insights into the nature of the IS and what the international community can do to combat it. In order to achieve this objective, the origins, intentions, leadership, capabilities, and operations of the IS are explored. The Islamic State's multifaceted efforts and effects in the region and beyond are described. Also, national, regional, and global strategies that are being pursued to address the new threat are examined. To this end, a range of recommendations are offered on specific steps that governmental, intergovernmental, and non-governmental bodies can take to counter the IS menace. Lastly, additional insights are presented relevant to combating the IS and undermining its potential future capabilities.

TARGET JEE Advanced 2018 (Solved Papers 2006 - 2017 + 5 Mock Tests Papers 1 & 2) - 12th Edition Apr 09 2021 The book is updated with the newly introduced Matching-cum-Passage based questions as asked in JEE Advanced 2017 Paper 2. **TARGET JEE Advanced 2018 (Solved Papers 2006-2017 + 5 Mock Test Papers 1 & 2)** helps in TESTING & REVISING all important concepts necessary to crack the JEE Main and JEE Advanced exam. The book consists of the detailed solutions of the past 12 year papers of JEE Advanced -IIT-JEE (2006 to 2012) and JEE Advanced (2013 - 2017) Paper 1 & 2 to ANALYSE (the pattern, level of questions etc.) the exam; • The book includes 5 Mock tests for JEE Advanced, along with detailed solutions, designed on the latest pattern - Paper 1 and Paper 2. The papers contain all the new variety of questions being asked in the new JEE.
